

**CERTIFICATE OF ROHS DIRECTIVE COMPLIANCE FOR PRODUCTS SUPPLIED
TO HEMMINK B.V.**

We, Grothe GmbH
Löhestraße 22, 53773 Hennef
Register number HRB 642 Siegburg / Germany

certify, by this present, dated the 14th February 2006,

- Having regard to the European Directive 2002/95/EC of 27 January 2003 on the restriction of the use of certain hazardous substances in electrical and electronic equipment, called "RoHS directive" and its application regulations,
- Having regard to the diverse application regulations subsequent to these different rules,

of which we are fully aware, commit ourselves to respecting them and to using all industrial and human means for insuring their enforcement.

We assure that the supplies and products provided to Hemmink B.V. are manufactured in conformity with the requirements of the texts here above and do not contain, or in the authorised proportions, the hazardous substances mentioned in articles 4, 5 and 6 of the RoHS Directive. Exception Lead: (Annex 2002/05/EC paragraph 7 (Applications of Lead [...]), which are exempted from the requirements of Article 4 (1)) "Lead in high melting temperature type solders (i.e. tin-lead solder alloys containing more than 85% lead).

We undertake to respect systematically future European laws and regulations as well as the future ones from the delivery country indicated on the order concerning prohibition or limitation of the use of certain products or substances.

We further undertake to provide Hemmink B.V. with the evidence of our implementation immediately upon Hemmink B.V. first request.
