Short description

SM S1+ infrared heater, 2kW, titanium, IP44

Product Description

The premium SM-S1+ infrared heater combines elegant design with powerful, direct infrared heat. The Solastar-HP low-glare lamp provides a more pleasant light appearance with reduced residual light, while the quick-mount system supports easy installation. The high-quality aluminium housing is ideal for demanding outdoor areas. This version has no on/off switch and can optionally be combined with a compatible radio or BT dimming module. This product is only suitable for outdoor use.
