

LE2725

## **Zekering D II DT II- 25 A**

### **Technische eigenschappen**

#### **Zekering**

|                    |     |
|--------------------|-----|
| Zekeringsgrootte   | DII |
| Kenmerken zekering | gG  |

#### **Belangrijkste elektrische eigenschappen**

|                                                                        |       |
|------------------------------------------------------------------------|-------|
| Nom. kortsluitafschakelvermogen I <sub>cn</sub><br>volgens IEC 60898-1 | 50 kA |
|------------------------------------------------------------------------|-------|

#### **Stroom / temperatuur**

|                 |      |
|-----------------|------|
| Nominale stroom | 25 A |
|-----------------|------|

#### **Materiaal**

|       |      |
|-------|------|
| Kleur | Geel |
|-------|------|
