

## CU-SENS: External Sensor

### Commercial information

**Certificates**

**Applications**

Heating, Cooling, Underfloor Heating

**Solutions**

Underfloor heating, Building installations, Industry, Utility

## Technical characteristics

Scope of application	Room	Number of measuring points	1
With mounting material	✗		
Suitable for wall mounting	✗		
Suitable for ceiling mounting	✗		
Suitable for duct mounting	✗		
Suitable for tube mounting	✗		
Suitable for air	✓		
Suitable for liquids	✓		
Suitable for gases	✗		
With housing	✗		
Cover attachment	Other		
Sensor element inside housing	✓		
Sensor element outside housing	✗		
Fixed cable to sensor	✓		
Active temperature measurement	✓		
Measurement of CO2	✗		
Measurement of VOC	✗		
Measurement of relative air humidity	✗		
Measurement of absolute air humidity	✗		
Enthalpy measurement	✗		
Measurement of dewpoint	✗		
Particulate matter measurement (PM)	✗		
Error registration possible	✓		
Potentiometer with adjustment knob	✗		
Bluetooth	✗		
Wi-Fi-compatible	✗		
Wireless	✗		
With display	✗		
Type of power supply	Power cord		
Type of electric connection	Terminal board		
Explosion-proof	✗
