

GIOTTO 305 3000K SURFACE  
3034765

Features

- Ambient and decorative round, surface mounted LED bulkhead luminaire. White robust polycarbonate body with opal diffuser, 1625lm, 14.7W, 111lm/W, 3000K, CRI 80, non-dimmable, 120,000 hours lumen maintenance (L70:B50). Drive current: 600mA, IP44, IK10, Class I, 220-240V.

Product Overview

|                                 |                                                 |
|---------------------------------|-------------------------------------------------|
| Product name                    | GIOTTO 305 3000K SURFACE                        |
| Technology                      | LED                                             |
| Cap/Base                        | N/A                                             |
| Housing                         | PC Polycarbonate                                |
| Mount                           | Ceiling recessed mounting, Wall surface mounted |
| Environment                     | Indoor                                          |
| E-number FI                     | 4270192                                         |
| Fixture luminous flux (lm)      | 1625                                            |
| Luminaire efficacy (lm/W)       | 111                                             |
| Colour temperature (K)          | 3000                                            |
| Light colour                    | Warm White                                      |
| CRI (Ra)                        | 80                                              |
| Colour Variation Initial (SDCM) | 3                                               |
| Glare control                   | < 24                                            |
| Photobiological Risk Group      | RG0                                             |
| Total power consumption (W)     | 14.7                                            |
| Electrical protection           | Class I                                         |
| Control gear type               | LED driver constant current                     |

## GIOTTO 305 3000K SURFACE 3034765

|                       |                        |
|-----------------------|------------------------|
| Control gear mounting | Integrated             |
| LED Flickering Rate   | Ultra low (5% or less) |
| Housing colour        | White                  |
| IP rating             | IP44                   |
| IK rating             | IK10                   |
| Product EAN number    | 8711971347651          |
| Warranty              | 5 years                |
| Colour Code           | 830                    |
