## RoHS declaration

ABN is putting into practice the current legislation of the 2005/717/EC "Restriction of Hazardous Substances" Directive (RoHS) of 13 October 2005 and its recast 2011/65 / EU of 31<sup>st</sup> of March 2015.

ABN goes further with its activities as stipulated by the legal requirements ABN sales products comply with the requirements of the RoHS directive, including products that would not be affected by these guidelines.

Based on the statements and declarations of conformity to RoHS received from our suppliers, we confirm that our products do not contain any substances that exceed the approved limit values, taking in account the authorized limit values.

Respect of the environment is a major focus of ABN's business policy and commitment to sustainable development. ABN is committed to:

- fulfill current environmental regulations and guidelines.
- develop environmentally friendly products and solutions.
- offer products and solutions that are safe, energy efficient and environmentally friendly.
