CERTIFICATE OF COMPLIANCE

Restrictions of Hazardous Substances

The products manufactured by TREND Networks Ltd fall exclusively into Category 9 (Monitoring and Control Instruments) of the 2011/65/EU RoHS Directive (recast) and became included in the scope of the RoHS Directive from 22.07.2014. All TREND Network Ltd branded products are compliant with the 2011/65/EU RoHS Directive (recast) and CE marked accordingly.

The Certificate of Compliance includes Directive 2015/863 published in 2015 by the EU (often referred to as RoHS 3) and Directive 2017/2102/EU published by the EU November 17, 2015.
