

UFH-DH40: Protection sleeve for expansion joint

Commercial information

Protection sleeve for expansion joint

Basic unit dimensions

Height	25 mm
Length	400 mm
Width	25 mm
Net weight	0.007 kg

Certificates

Applications

Heating, Cooling, Underfloor Heating

Solutions

Underfloor heating, Building installations, Industry, Utility

Technical characteristics

Surface protection	Untreated	Suitable for feedthrough diameter	16 20 Millimetre
Fire-resistance	Other	Number of feedthroughs	1
Gastight	×	Length	400 Millimetre
Sound-absorbing	×	Height	25 Millimetre
Airtight	×	Width	25 Millimetre
Watertight	×		
Stench-tight	×		
With mounting material	×		
With drill jig	×		
With inlay	×		
With sleeve	×		
With rosette	×
