

## VB-EK05: Ball valve, 2 x euro cone connection

### Commercial information

Brass ball valve with 2x euro cone connection, PN 25

#### Basic unit dimensions

|            |          |
|------------|----------|
| Height     | 35 mm    |
| Length     | 50 mm    |
| Width      | 40 mm    |
| Net weight | 0.020 kg |

#### Certificates

#### Applications

Potable water, Heating, Sanitary

#### Solutions

Building installations, Industry, Utility

## Technical characteristics

|  |   |                                    |                        |
|--|---|------------------------------------|------------------------|
| Material ball                          | Stainless steel                                   | Medium temperature<br>(continuous) | -10 95 Degrees celsius |
| Material primary spindle seal          | Ethylene-propylene diene monomer<br>rubber (EPDM) |                                    |                        |
| With drain possibility<br>(connection) | ✘   |                                    |                        |
