
Product Information RoHS

The EU RoHS Directive No. 2011/65/EU incl. 2015/863/EU restricts ten substances and substance groups above a specific threshold at the homogeneous material level.

Declaration

We hereby declare that products manufactured by ABB Oy, Wiring Accessories **do not contain any Substance(s) Above Threshold** except for when marked separately for each product in annex to this document.

The information in this document is based on reasonable inquiry and current information received from product manufacturing plants and the suppliers of the raw materials used in the above-mentioned products. The certification is true, accurate and complete to the best of our knowledge with the information gathered to date.
