

## UFH-DH40: Protection sleeve for expansion joint

### Commercial information

Protection sleeve for expansion joint

#### Certificates

#### Applications

Heating, Cooling, Underfloor Heating

#### Solutions

Underfloor heating, Building installations, Industry, Utility

## Technical characteristics

Material	Polyethylene (PE)	Suitable for feedthrough diameter	16 20 Millimetre
Surface protection	Untreated	Number of feedthroughs	1
Fire-resistance	Other	Length	400 Millimetre
Gastight	✘	Height	25 Millimetre
Sound-absorbing	✘	Width	25 Millimetre
Airtight	✘		
Watertight	✘		
Stench-tight	✘		
With mounting material	✘		
With drill jig	✘		
With inlay	✘		
With sleeve	✘		
With rosette	✘
