

Finishing set with cable outlet for blind plate with strain relief, anthracite coated

122-76001

CE

4 year warranty

Central blind plate is intended to perfectly conceal a TV connection, for example. The cable outlet at the bottom of the blind plate prevents the cable connection from being pulled out. Colour: anthracite coated.

Technical data

Finishing set with cable outlet for blind plate with strain relief, anthracite coated.

- Function: the central plate is equipped with an opening and can be expanded by breaking out the additional break-out surfaces. The central plate is clicked onto the flush-mounting frame with strain relief. This set is suitable for cables with a diameter of 6.6 up until 8.5 mm
- Material finishing: polycarbonate (PC) + acrylic-styrene-acrylate (ASA)
- Colour: anthracite coated
- Colour RAL (approximately): 7022
- Colour NCS (approximately): NCS S 7502-R
- Surface treatment: coated
- Number of lenses: 0
- Dismantling method: use a tool such as a screwdriver to dismount
- Protection degree: the combination of a mechanism, a central plate and a faceplate has a protection degree of IP21D
- Impact resistance: after mounting, an impact-resistance of IK06 is guaranteed
- Fire safety:
 - all plastic components are self-extinguishing (comply with a filament test of 650°C)
 - all plastic components are halogen-free
- Dimensions of finishing: 45 x 45 mm (HxW)
- Dimensions (HxWxD): 44.5 mm x 44.5 mm x 8.6 mm
- Marking: CE
