

UFH-TTBD2050: Temperature reducer return, 20-50°C, built in, closed

Certificates

Applications

Underfloor Heating, Heating, Cooling

Solutions

Building installations, Industry, Underfloor heating, Utility

Commercial information

Technical characteristics

Suitable for cooling	✓	Outer pipe diameter central heating	0 Millimetre
Position connection central heating	Side	Uitwendige buisdiameter vloerverwarmingsgroepen	0 Millimetre
With pump	✗	Outer pipe diameter floor heating groups	0 0 Millimetre
Expandable	✗	Max. number of expansion groups	0
With mounting material	✗	Width	72 Millimetre
With wall-mounting bracket	✗	Height	211 Millimetre
		Depth	156 Millimetre
