

# Declaration of Conformity

## HUAWEI

For the Dutch Safety Directive PGS 37-1

Applicable to Commercial Battery Energy Storage Systems

### Energy Storage Products:

LUNA2000-107/161/215/241-2S Nameplate capacity: 107 / 161 / 215 / 241 kWh

### Statement:

The above-mentioned Energy Storage Products fulfill the minimum product safety requirements listed in PGS37-1. Compliance is demonstrated with test reports for:

- \_ IEC 62619:2022 (Applies to the Battery Module)
- \_ UL9540A (Applies to the Battery Pack and Container. Demonstrates that thermal runaway is contained by the module and unit design)

The application of these products is considered to be "Typical 3" (EOS Park with inaccessible outdoor enclosures). Placement of the products shall be accordance with the relevant PGS requirements (e.g., "M50" and "M54"). It is the responsibility of the installer to observe the safety distance requirements for the energy storage plant.
